EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Chris Lutz on January 17, 2007.

The application has been amended as follows:

Please amend the preamble of the claim 27 to include the following

Claim 27: A computer program product embodied ~~tangibly embodied in a fixed medium of expression~~ on a computer readable storage medium having instructions stored thereon operable for execution by a processor for providing information suitable for audio output, such that the instructions when carried out by a computer, cause the computer to perform the steps of:

providing information suitable for audio output, such that the instructions, when carried out by a computer, cause the computer to perform the steps of: ...

Please amend the specification, page 11, lines 12-14 to include the following:

In another embodiment, a computer program product includes a computer readable storage medium having instructions stored thereon for providing information suitable for audio output.

Please amend the specification, page 11, lines 25-27 to include the following:

In a further embodiment, a computer program propagated signal product is embodied in a ~~propagated~~ storage medium, having instructions for providing information suitable for audio output.

Please amend the specification, page 24, lines 16-18 to include the following:

In one embodiment, a computer program product 380 including a computer readable storage medium (e.g. one or more CDROM's, diskettes, tapes, etc.) provides software instructions for the web navigation application 300.

The following is an examiner's statement of reasons for allowance: in view of the Examiner's Amendment, the 101 rejection of claims 27-29 are now withdrawn, thus making these claims allowable. As previously stated in the Office Action mailed March 9, 2006, claims 1, 2, 6, 10-16, 22-26 and 31-45 are allowed.

Art Unit: 2143

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
